

Holyoke Community Charter School

Snow Plowing, Snow Removal and Salting #1112-4

The Holyoke Community Charter School (HCCS) is Requesting for Proposal (RFP) from qualified vendors to submit proposals for snow plowing, snow removal, and salting services for its school campus located at 2200 Northampton Street, Holyoke, Massachusetts.

Bidders are invited to submit their proposals using the enclosed forms and in accordance with the specifications and requirements provided by the Holyoke Community Charter School.

Purpose of Request

It is important that the Holyoke Community Charter School's facility is properly maintained to ensure continued access for students, families, and staff before, during and following snow events. The purpose of this RFP is to contract with a responsive and responsible bidder to provide snow removal services for our campus, as described below. The Holyoke Community Charter School is seeking a highly professional and reliable contractor who can provide responsive service, exceptional communication, and transparency.

The successful vendor will be required to enter into a contract that incorporates this RFP, including all of its exhibits.

Selection of vendor

Selection will be based on the following criteria:

1. Proposed cost
2. Confidence in the contractor/compliance with RFP specifications.
3. Proven ability to provide timely and efficient snow removal services.
4. Client references.

All proposals shall be mail and addressed to the Holyoke Community Charter School and the front of the envelope shall be clearly labeled Snow Plowing, Snow Removal and Salting Bid #1112-4

All proposal must be mailed to:

Holyoke Community Charter School

There will be a walkthrough of the facility on September 11th, at 10:00 am for interest bidders.

Form of Contract

Contract Period: This agreement shall become effective on October 1st, 2026, and shall terminate on June 30, 2029, unless an extension is agreed to in accordance with the terms stated below, or unless terminated earlier as provided below.

Contract Extension: At the sole discretion of Holyoke Community Charter School, the contract period may be extended for up to two additional years (2031).

NOTE: The Holyoke Community Charter School reserves the right to accept or reject any or all bids, and to waive informalities and minor irregularities in bids received

II. INSTRUCTIONS TO BIDDERS

EXPLANATION TO BIDDERS

Any explanation desired by a bidder regarding the meaning or interpretation of this specification, etc., must be requested by email to mrodriguez@hccs-sabis.net no later than September 11th, 2026. Oral explanations or instructions given before the award of the contract shall not be binding. Any information given to a prospective bidder shall be furnished to all prospective bidders as an amendment to the solicitation, if such information is necessary to bidders in submitting bids, or if the lack of such information would be prejudicial to uninformed bidders. **Amendments sent to all prospective bidders will be sent by email.** Amendments sent to the prospective bidders must be signed and attached to the bid as acknowledgment of receipt and acceptance of the amendments to the bid.

The Holyoke Community Charter School reserves the right to reject the bid of a bidder who has previously failed to perform properly or to complete contracts of a similar nature on time or who is not in a position to perform the contract.

All or Nothing: The Holyoke Community Charter School intends to award this contract on an ALL or NOTHING basis. Bids failing to include all of the requested items, goods and services WILL BE REJECTED.

III. SCOPE OF SERVICES

1. Requirements:

Contractor must supply all labor, snowplows, front-end loaders, dump trucks, shovels, snow blowers, ice melt, salt, salt spreaders (hand & truck), and safety equipment needed to complete the work.

Contractor must maintain a staffed 24-hour emergency dispatch service. The Facilities Director and designated school administrators shall be provided with direct emergency contact information for a supervisor authorized to dispatch personnel and equipment as needed. Emergency call-backs for black ice, drifting snow, refreeze conditions, blocked entrances, or other hazardous conditions shall receive a response within one (1) hour.

2. Snowfall:

When weather conditions permit, approved anti-icing materials shall be applied prior to forecasted snow, sleet, or freezing rain events to reduce ice bonding and improve post-storm clearing efficiency.

Plowing and salting of all paved areas, entrances, and clearing/de-icing of all walkways during storms, to permit access and movement of staff if snowfall of more than 2'' occurs. It is the Contractor's responsibility to return to the property to keep the entrances, drive aisles, and sidewalks free from ice and snow. At no time shall there be a hazardous/life safety condition.

3. Curb Indicators:

Contractor is required to install curb indicators before November 1st. Contractor will not submit any charge for curb indicators.

4. Slippery Conditions Anytime:

When surfaces are slippery and/or temperatures are at or below freezing, the contractor is responsible for applying ice melt, which must be spread on sidewalks and walkways and salt must be spread onto all the parking lot areas. Contractor may only use ice melt types approved by the school in order to reduce costs and to reduce impact on masonry and landscaping.

5. Charges for Services:

The contractor will submit an itemized invoice for each snow event that clearly delineates each component detailed in Attachment A: Invoice Template. For purposes herein, a “snow event” shall be defined as any event related to weather that will cause all or part of the services provided by Contractor to be activated; and such snow event is considered over when all contracted areas have been cleared upon Facilities Manager’s approval. The Contractor will not submit additional charges for “during storm clean-up”.

6. Approved Areas:

Contractor will pile snow in areas approved by the Facilities Manager. The contractor must also have the ability to remove snow off site, in the event that they are instructed by the Facilities Manager to do so.

7. Additional Salting/De-icing and Shoveling:

As requested by Facilities Manager, contractor may be asked to provide additional salting, de-icing, and/or shoveling on school grounds. This would be in addition to the normal storm accumulations specifications and should be considered to cover the same areas but only when requested by the Facilities Manager.

8. Inspections and Evaluation:

Facilities Manager and Contractor will conduct walkthroughs at the end of each winter thru the school campus. At that time an assessment of any damage done by the contractor over the winter will be identified. Contractor is required to make arrangements to repair any damage to property prior to August 1st each year. If the damage requires a longer timeframe to repair, such timeframe will be discussed with and agreed to by the school. Contractor will repair all damage and remove all curb indicators before final payment and/or contract termination/ extension. Contractor will inspect property for pre-existing damage and submit a report detailing all pre-existing damage (with photo documentation) by commencement of contract award.

9. Certified Weather Reports:

The Contractor shall maintain GPS records of equipment activity and provide before, during, and after photographs whenever practical. Records shall be retained for three years and furnished upon request.

Contractor shall provide certified weather reports for each snow event that they are providing services for. The certified weather reports will provide weather information for the zip-code in which the property is located. The report will certify the amount of snowfall for the property. Reports must be submitted with any invoice submitted in order for payment to be processed by the Holyoke Community Charter School.

10. Insurance Requirements:

Contractor must hold Comprehensive General Liability, Automobile Liability, and Property Damage Insurance coverage of not less than \$1,000,000 and Workers Compensation and Employer's Liability Insurance coverage of not less than statutory limits must be maintained by the Contractor throughout the course of the work. A current and original Certificate of Insurance listing Holyoke Community Charter School as ADDITIONAL INSURED must be received prior to beginning of the contract and before school starts.

11. Indemnification of Client and Property Owner

Contractor agrees to indemnify and hold Holyoke Community Charter School, and each of their respective directors, trustees, officers, agents and employees harmless from and against all claims, demands, losses, damages and judgments, including court costs and attorneys' fees and any payments relating to taxes due or similar items, arising out of or based upon (i) any breach or alleged breach by Service Provider of any representation, warranty, certification, covenant, obligation or other agreement set forth in this Agreement, and (ii) any third party claim, including, but not limited to, all claims by any employee of Contractor or its subcontractors, sub-subcontractors, or suppliers, arising out of or resulting from the performance of any work for HCCS by Contractor, its agents, employees, subcontractors, sub-subcontractors and suppliers in connection therewith.

12. Invoices and Payment

All invoices must be submitted monthly. Each invoice shall include event date, arrival/departure times, crew size, equipment used, material quantities, certified weather report, GPS logs, photographs, supervisor signature, and an itemized breakdown of all charges.

Snow/Ice Removal Completion Order and Timelines

HCCS operates 180 school days each year, and the school's calendar will be provided at the start of each school year,

1. **Regular School Day:** Unless stated otherwise, parking lot and sidewalks must be completely cleared no later than 7:00 am. Access must be maintained until 6:00 pm.
2. **Priority Clearing Sequence:** Snow removal shall occur in the following order unless otherwise directed: Main entrance; student drop-off; staff parking; visitor parking; ADA parking and routes; emergency access lanes; fire hydrants; sidewalks; secondary entrances; dumpster areas. Accessible parking spaces, curb ramps, crosswalks, sidewalks, and all ADA-compliant routes shall receive priority service and remain fully accessible throughout each storm event.
